REV. F. J. MAPEL,
Pastor Chillicothe Church

REPORTS

REPORT OF THE BOARD OF MISSIONS

Your Board has given careful attention to the work of both the Foreign and Home departments, as presented in their annual report. We fully realize the significance of the statement made by the General Secretary. "That in all our history we have never faced a situation so fraught with difficulties and so full of unparalleled opportunities." The present war situation has thrown upon the American church the major part of furthering and maintaining the great movement for making Christ known to all the world. It is of vital importance that the church devote herself with increased loyalty and enthusiasm to taking her full share of this splendid task.

Your Board would ask you to join with them in expressing appreciation of the helpful counsel brought to us by Dr. E. H. Rawlings, Educational Secretary of the General Board.

Your Board would recommend for your endorsement the following policies for the ensuing year:

First. The urgent necessity of raising the assessments in full cannot be too strongly emphasized, and let us not forget that early collections are equivalent to increasing the available funds of the Board.

Second. We would urge upon our Pastors and Presiding Elders the necessity of having as many of our churches as possible undertake liberal Missionary Specials. The payment of the assessment means that we are only giving twenty cents per capita for the world's evangelization. The inadequacy of this showing should make it needless to insist, that an increasing number of individuals, groups, and churches of our Conference should be unwilling to limit their giving to the assessment.

Third. Your Board would again express their appreciation of the

Epworth Leagues of Missouri, in assuming the support of Dr. Mumpower as superintendent of our mission in Africa, and would ask the pastors to further the interests of this important work among the Leagues of their charges.

Fourth. We would give our hearty endorsement to the plan for having the Sunday schools of Southern Methodism provide a special fund for the maintainance of our work in China. The Educational Department of the General Board of Missions provides special helps for those undertaking this great enterprise, and we earnestly request our pastors to avail themselves of this assistance in bringing their schools to support this greatest mission field of the world.

Fifth. Your Board would express the growing conviction that the every member canvass is the best financial plan yet devised, and none of our leaders, either pastors or laymen, should be contented until this method has been adopted by every church of our Conference.

Sixth. As a leading feature of our Home Mission policy, we recommend that the concertive plan of personal evangelism, known as the "Win One Campaign," be carried out in each Presiding Elder's District; and we request each Presiding Elder to formulate the details of such a campaign for his district. We would further request the Bishop to hold a special meeting of the cabinet, at which the officers of the Board of Missions shall be present, in connection with the Forward Movement Conference, for the purpose of considering and perfecting these evangelistic plans. The Board nominates C. C. Grimes to serve as a member of the committee on evangelism.

Seventh. The Board requests the Bishop to appoint Rev. A. C. Johnson as Conference Missionary Secretary, without salary. It is a matter of deep regret that the finances of the Board will not warrant the employment of a man giving his entire time to this work.

Eighth. Your Board would ask the Conference to join with them in fulfilling our supreme missionary privilege, the making of our Missionary enterprises a matter of earnest and constant intercessory prayer. We would especially urge the universal observance of the week of prayer, January 2nd to 9th, 1916, not only by our missionary societies, but by all our church organizations and members. In these times when the fields are so white to the harvest, we should give ourselves with increased fidelity to beseeching the Lord of the harvest, that he would send forth laborers into the fields.

The First Annual Report of the Medical Laboratory of the Missouri Foundation has been carefully reviewed by your Board, and appears as an

exhibit in connection with this report. This enterprise is still in its formative stages. A charter has been secured, which gives to the church as large a power of control as is possible under the Constitution of the State of Missouri, and acting under this charter an organization has been effected. The purpose of this foundation, as set forth in the charter, merits the hearty co-operation and encouragement of the church.

Your Board recommends the following as the assessments for the Conference year 1915-1916:

Home and Conference Missions	$17,000.00
Foreign Missions	13,150.00

The Board submits the following figures giving the financial showing of the various districts during the year 1914-1915.

REPORT OF THE BOARD OF CHURCH EXTENSION

It is the pleasure of your Board to make the best report in its history. In spite of the close financial conditions our receipts are larger this year than that of any previous year. The demands in the Board have been heavy but owing to the large return on assessment and our growing loan fund we have been able to take care of the applications nicely.

There are substantial improvements being carried forward within the bounds of the Conference in the way of building and improving churches and parsonages that promise well for the future. There were applications before your Board totaling $2,700.00 for donations and $1,000 for loans and we have granted $2,500 in donations and $1,000 in loans as follows:

Wilkes Boulevard Church, Columbia, asked,	$1,000	Granted,		$1,000
Wilcox Church asked - - -				
	$200	Donation,	Granted	$200
	200	Loan,	Granted	200
Fairfax Church asked - -	1000	Donation,	Granted	900
Craig Parsonage asked - -	200	Donation,	Granted	200
Dalton Parsonage asked - -	200	Donation,	Granted	200
Albany Parsonage asked - -	-			
	100	Donation,		
	800	Loan,	Granted	800

We are pleased to report the gradual growth of our Conference Loan Fund which with $400.00 transferred to it this year totals $2,608. In this connection we would not fail to speak of the splendid work being done by our General Secretary, Rev. W. F. McMurry, who by untiring efforts has been able to put the capital of the General Loan Fund beyond $600,000.

Such gifts as the one recently made by Mr. Duke to the General Board will swell this fund and inasmuch as our own Conference will benefit by it we hereby extend our thanks as a Board and Conference.

Inasmuch as there has come considerable loss to both the General and Conference Boards because of faulty architectural plans for our buildings we wish to urge the greatest of care in choosing architects and plans and tender services of both Boards wherever they can be of any assistance. Our General Secretary, Brother McMurry, is working on plans by which he will be able to render valuable aid and if any congregations contemplate building, doubtless it will pay to get into communication with him.

In connection with our report we submit the following resolutions:

Whereas, the General Board of Church Extension proposes to increase the Loan Fund to one million dollars, with which movement we are in hearty accord; therefore, be it resolved,

First. We heartily endorse the proposition of the General Board for a Loan Fund Day throughout the bounds of our church, and pledge ourselves to co-operate with the Special Committee in making it a success.

Second. Our preachers and churches are urged to fall in line with the whole church in giving the day designated to the interests of Church Extension, affording the people an opportunity to make contributions in cash or subscription, all cash received to be remitted to the general office at Louisville, Ky., and all subscriptions taken, with the amount subscribed and address, sent to the same place.

Third. We recommend that contributions not otherwise directed within the bounds of this Conference, become a part of the Conference Board Loan Fund, which fund is administered by this Board in the interest of church and parsonage building within the bounds of the Conference, through the general office at Louisville, Ky. We recommend also that the amount contributed by the Sunday schools of this Conference be added to the Sunday School Loan Fund.

Fourth. We urge our presiding elders, preachers, lay leaders, Sunday school superintendents and Epworth League officers to keep this matter before the people, and so to plan that they may be informed on the subject and that they be given an opportunity to make a contribution to the Loan Fund Capital of the Board of Church Extension.

Fifth. We make mention of the fact, for the information of all concerned, that the general office at Louisville, Ky., will provide, free of charge, literature, charts, etc., for educational purposes, subscription blanks, and all other necessary printed matter for the proper observance of the day.

Whereas, we approve of the building up of the Sunday School Loan Fund through the birthday jars sent out by the Secretary of the General Board; therefore, be it

Resolved, that we urge our people to secure and use such jars in every church.

Respectfully submitted,

M. F. CROWE,
M. E. LAWSON,
G. B. SMITH.

REPORT OF THE BOARD OF EDUCATION

We, your Conference Board of Education, submit the following report:

Southern Methodist University

Dr. A. J. Lamar, representing the Educational Commission, requested your Board to recommend for adoption a certain resolution concerning a proposed change in the Constitution of the Southern Methodist University. Owing to insufficient information we do not recommend that action be taken at this time.

Central College

The endowment movement has been closed except the closing of the remaining underwritten pledges. President Linn reports in part as follows:

"I am pleased to be able to report to you that the year of school work closing in June, 1915, was for Central College, one of the most successful in its history.

"The largest Freshman class in the history of the institution was in attendance. The college student body exceeded in numbers the high mark of the preceding year.

"The moral tone of the student body was above criticism. We were greatly blessed by a serious revival of religion. Almost all of the students became active in the Christian life and a large number gave themselves in pledge to special work.

"The financial condition of the college is gratifying. The total amount of personally signed pledges including the Rockefeller pledge which is now assured, is $345,875.40. The collections have been so good that we already have been able to secure our first payment of something over $14,000 in cash from the East. There remains $9,365.05 of underwritten pledges that must yet be covered by individual subscriptions."

President Linn, who has been so eminently successful as a campaigner, will devote his time to administration and religious instruction during the present year.

Rev. B. D. Sipple, who has spent seven consecutive years as College Agent will return to the regular work of the ministry and serve the college in a limited way as Agent without salary.

Central College for Women

We note with pleasure the increased prosperity of Central College for Women; the increased enrollment, the addition of seven acres to the campus and the strengthening of the Bible Chair. The generous gifts of Dr. W. B. Palmore made possible this important work. Miss Rebecca Corwin, Ph. D., a teacher of wide experience and very highly recommended, has been secured for this chair.

About two years ago plans for a $200,000.00 endowment were projected. Out of deference to Central College which occupied this field until recently,

the plans were not carried out. Now that the field is open, President Williams urges that every possible effort be made to secure this amount.

Howard-Payne College

We especially call attention to the prosperity and growing usefulness of Howard-Payne College. This splendid institution of learning under the wise leadership of President Stout has enjoyed one of the best years of its history. The attendance during the past year was most gratifying. A total of 195 was enrolled in the school, 104 of whom were boarders. We are happy to note that religious values are emphasized and that each year a few choice spirits from the student body consecrate their lives to definite service.

Preachers' Institute

We recommend the Preachers' Institute of the Missouri Conference. None of our preachers can afford to neglect it. The program last year was a source of strong intellectual and religious stimulus. We urge our preachers to observe the Sunday known as institute Sunday by attending the Institute. We recommend the appropriation of $300.00 to meet the expense of the institute next year.

The Student Work at Columbia

One year ago this Board recommended the election of Dr. J. C. Handy and Dr. F. F. Stephens as members of a temporary commission to confer with a like number from each of the other two conferences of the state, concerning the student work at Columbia. During the year this commission met and carefully considered the whole matter. Having received their report we recommend that W. M. Alexander and Dr. F. F. Stephens be elected by this Conference as permanent commissioners, who, with a like number from the other conferences of the State, shall constitute a Board of Advisers through which the student pastor shall keep in touch with the three supporting conferences.

We further recommend that $500.00 be appropriated out of the proceeds of this Board for the coming year for this work.

Correspondence School

Realizing the value of the Correspondence School of our Church, to our conference undergraduates, we recommend that it be adopted as the rule of this Conference that all undergraduates be required to take their

conference course of study in the Correspondence School. And it is provided that in cases where undergraduates are unable to meet the fees of this course, that upon the recommendation of the presiding elder, the Conference Board of Education will bear the expense wholly or in part.

St. Charles College

Certain legal documents having been presented to your Board, concerning any rights the church may have in the property of St. Charles College, we submit the following recommendations:

First. That we accept the decision of Judge John A. Rich as to the legal rights of the church in said property.

Second. That the Conference should propose to arbitrate the respective rights of the church and the college. We further suggest that Dr. Paul H. Linn and Judge A. W. Walker represent the church, and that these men meet with two men appointed by the authorities of the college and that the four men thus selected choose a fifth man and this committee have full authority to settle the points in controversity between the college and the church.

Third. That all expenses incurred in the settlement be paid out of the corpus before any other payments are made. We suggest that action in this matter be undertaken at once.

Recommendations

We recommend the appointment of Dr. O. E. Brown to a professorship in Vanderbilt University, H. E. Stout to the presidency of Howard-Payne College, Dr. P. H. Linn to the presidency of Central College, and B. D. Sipple as Conference Secretary of Education.

Curators

We recommend the following men as curators of our colleges: Central College for a term of four years: J. A. Leavell and S. P. Cresap.

Central College for Women for a term of three years: Dr. W. L. Brosius and Dr. C. S. Austin.

Howard-Payne College for a term of four years: Dr. H. K. Givens, E. F. Swinney, M. M. Payne and A. W. Walker.

We respectfully call the attention of the pastors to the fact that the collections for the work of education are often discriminated against. The general Minutes of our church for last year show 12 per cent difference in the amount paid on the assessments for church extension and education. And this difference is to the disadvantage of education. We earnestly urge the pastors to pro-rate this assessment with the others that the work of education may receive a just share.

FRANK J. MAPEL, Vice-President
W. M. ALEXANDER, Secretary.

REPORT OF THE BOARD OF MINISTERIAL EDUCATION

For forty years the Missouri Annual Conference has tried through the Board of Ministerial Education to supplement and stimulate the education of her ministry. The fund is inadequate to meet the demands for trained leadership for the church. Hence the need for prompt payment of loans.

Our ministry is recruited almost entirely from homes with limited means and unable to meet the expenses of a college education.

Benevolent people should consider this work of the church in their benefactions and supply adequate funds to meet the urgent needs of the board.

Be it resolved in view of the fact that one-half of the notes due this Board are of long standing, that the Secretary of the Board be instructed to collect all long standing notes and report result at the next session of the Annual Conference.

REPORT OF THE SUNDAY SCHOOL BOARD

We, your Sunday School Board, submit the following report:

We gave careful consideration to the report of the General Board. We are inspired by their achievements and their aggressive and progressive plans set forth.

Dr. C. D. Bulla, Corresponding Secretary of the General Sunday School Board, assisted us in our deliberations and give us unstinted counsel and brotherly suggestions.

We are gratified to include this item from the General Report: "The year 1914 was the most successful Sunday School year in the history of our church. The statistics are as follows: Number of schools, 16,868, an increase of 219 over the preceding year; number of officers and teachers,

140 575, an increase of 8,603; number of pupils, 1,584,834, an increase of 87,116. Total increase over previous year, 95719. The present Sunday school enrollment is 1,725,409. At this rate of growth the goal of 300,000 increase during the quadrennium will be attained."

We note that our Sunday school literature, always the best for our people, is ever improving, and there has been a net increase in the circulation of 61,448. In the nine years of the present administration the business of this department has grown from $193,719 to $450,685.

The new paper, "The Worker's Council," should be given wide circulation. We hope the plans for the increase in the size of the "Visitor" and other periodicals can soon be carried out by our House. The "Adult Student" has a real place and an increased efficiency in the organized class movement. It has increased 21,000 in circulation the past year.

Graded literature is winning its way. We need to realize and emphasize its value. As uniform lessons came forty years ago to fill a place in the Sunday school so this new literature pioneers new fields today. There is a Graded Edition of the Magazine that should be used with this graded literature.

Our great church heard with sorrow of the death of Dr. H. M. Hamill. He wrought well. The Board has been indeed fortunate in securing Rev. John W. Shackford, Virginia Conference as Superintendent of the Department of Teacher Training. There are at present, temporary new courses for Teacher Training and ultimately from our own church will come the books for a permanent training course.

The Wesley Bible Class movement is gaining rapidly. The enrollment of all Adult, Senior and Intermediate classes and their final federation is desired. "Many of the men who have been brought into our Bible classes have no other church relations. The class is not a substitute for the church, and it is of first importance that members of our Bible classes be drawn close to the heart of the church. To this end we urge all classes to enroll in the Wesley Bible Class Department. This makes the class an integral part of the Sunday school. By enrolling in the Central Office a class recognizes allegiance to the Methodist Episcopal Church, South. No class should be satisfied with an independent existence. For these reasons the church provides for reporting only those Bible classes that have enrolled in the Wesley Bible Class Department."

The General Board has provided a corps of Field Workers grouped in six General Divisions for home field. C. J. Nugent, Jr., Louisville, Kentucky, is Field Secretary of the Middle Division which includes our Conference.

We heartily accord with the Policy for divisional Field Secretaries and especially that part applying to District organization, and we recommend that all our districts be this year organized according to this plan.

We urge that Children's Day be observed in every Sunday school and that the offering be taken and be forwarded to the Teller at once as the Discipline requires.

We furthermore urge that all our Sunday schools be raised to the standard of efficiency adopted by our church. This standard of efficiency established by the General Board, based on the action of the Sunday School Council of Evangelical Denominations, has been printed in the form of a wall chart, suitable for framing, and every school is urged to procure a copy and hang it near the superintendent's desk as a challenge to worthy endeavor and achievement.

E. E. BOSTWICK, President
W. M. BAKER, Secretary.

REPORT OF THE EPWORTH LEAGUE BOARD

Your Board offers the following reports: Increase in leagues 5; membership 247, but there is a decrease in missionary contributions to the amount of $79.00.

Your Board discussed carefully the changes and new laws made by the General Conference and there are three things we desire to call your attention to in this report:

1—Mission Special

We recommend to the members of the Missouri Conference, that they co-operate with the Board, in getting the Leagues of the Conference to take a more active part in the support of the African Mission, and we recommend that the Leagues of this Conference attempt to raise $1,000 for the maximum fund for the Leagues, which will be about $100.00 for each district. We feel that our Leagues should take a concerted action in this great work.

2—The League District Conferences

That there might be a greater interest stirred up in our Conference and districts the following motion was adopted by the Board and commended to your consideration: "That the President of the Conference Board confer with the District President and Presiding Elders to make arrangements for consecutive dates for the Epworth League Conferences, in order that we may get some expert to visit our districts and deliver a message that will stir the leagues to a larger service." Your Board feels that such a program arranged throughout the Conference will be of great benefit to the Leagues.

3—The Financial Interests

That since the 10c assessment has been discontinued, we urge that every league pay the uniform fee of $2.50 as ordered by the discipline to the support of the General Board.

We also urge the members of the Conference to see that the second Sunday in May, or as near this date as possible, be observed as Anniversary Day and that a collection be taken on that day, in order that we may be able to meet the expenses connected with our work. Brethren, this is all the money we receive to meet our obligations.

We respectfully call your attention to the Budget Plan suggested by the General Board.

We recommend that all money, except the $2.50 set apart for the current expenses of the General Board, be sent to the Conference Teller.

E. Y. GINN, President.
C. I. HOY, Secretary.

BOOKS AND PERIODICALS

We, your Committee on Books and Periodicals, submit the following report:

We note with pleasure that in spite of some depression in financial circles, and that some of the periodicals are published at a loss aggregating this year, $14,000, yet the House declares a net profit of $111,532. We would commend to our pastors and people our Sunday school literature and urge that all of our Sunday schools be well supplied with such as is needed. We recommend that at least one page of our excellent Sunday school magazine be given to word-study. We urge also that our books be well distributed among our people, to the end, they may have the best reading matter; and be thereby better equipped to serve. This can better be done, by placing catalogues of our publications in the homes of our people.

The St. Louis Christian Advocate

We are peculiarly, interested at this time, in our conference organ, The St. Louis Christian Advocate. It is the paper for Methodists in the Central West; and must by all means have our hearty support. Our work would be seriously hindered if it should fail. Let us rally to the call for special effort to increase the subscription list. This committee recommends that we endeavor to increase the subscription at least 50 per cent beyond the present mailing list, and at once do two things: First, improve conditions among our people by placing this excellent paper in their homes. Second, put our own church paper on a solid financial basis. We recommend also, that a due consideration be given to the merchandise department of the Advocate. Since all net profits come back to our Missouri Superannuates. We recommend further, that Rev. R. H. Cooper be appointed to represent us on the editorial committee. We further recommend, that Rev. R. H. Cooper and Hon. C. M. Hay continue to look after our legal interest in the Advocate Co.

W. O. G. POTTER, Chairman.
W. C. RICE, Secretary.

REPORT OF THE AMERICAN BIBLE SOCIETY

We, your Board representing the American Bible Society, rejoice that there is an increase of $47.84 in the receipts for the Society this year.

The districts of the Conference reported as follows:

District	No. of Charges	Amount Paid
Chillicothe	13	$74.00
Fayette	7	26.00
Gallatin	17	43.00
Hannibal	2	13.00
Macon	14	43.00
Mexico	13	48.00
Plattsburg	3	24.00
St. Charles	13	37.00
St. Joseph	13	43.00
Total Charges Reporting	85	T't'l pd.351.00

Because of the dignity and the importance of this great cause we urge the pastors to collect an amount equal to at least one-half of 1 per cent of the amount paid to the pastors as salary.

We also suggest that the presiding elder of each district appoint a man to, in some way, superintend the collection of this money.

W. D. KING, President.
M. L. SHEMWELL, Secretary.

DISTRICT CONFERENCE RECORDS

Your Committee on District Conference Records have examined the record of each district of the conference.

We find the records of the Chillicothe, Hannibal, Mexico, Macon, Plattsburg, St. Charles and the St. Joseph districts are well kept.

The Fayette district record is well kept except the roll of members has been pasted in instead of being copied and its neatness is further marred by pencil marks.

The roll of members of the Gallatin district has not been copied in the record but otherwise is well kept.

The leaves of one of the records have been cut out and the minutes put in typewritten form then pasted in the record again.

The committee recommends that when the districts purchase new records that they be that form of loose leaf records so that those who wish to do so may place the record in typewritten form without the mutilation of the record book. Such a book can be purchased from our Publishing House.

M. L. SHEMWELL, Chairman.
O. E. LOCKHART, Secretary.

REPORT OF COMMITTEE ON TEMPERANCE AND SABBATH OBSERVANCE

Report No. 1

Your Committee on Temperance and Sabbath Observance report as follows:

We rejoice in the fact that of ten local option elections held in the state during the past year, eight have been dry victories, and that over 50 per cent of the population of the state is now living in dry territory, and that of the 114 counties of the state 79 are totally dry, with 17 partially dry, and only 18 wet.

While we rejoice in the advancement of our cause and in the victories won in our own state we are also happy to note the increased interest throughout the country looking toward national prohibition, and while our last congress failed to pass the joint resolution providing for national prohibition, yet we regard the vote on the question as a great victory for temperance. The nation's interest is further manifest in the great national convention held at Atlantic City, New Jersey, July 5th-9th, composed of about 12 or 15 thousand people among whom were governors, congressmen, senators, and many other men of national reputation.

We wish here and now to register ourselves as favoring state and national prohibition at the earliest possible hour. And the Anti Saloon League being the federated churches at work for prohibition; therefore resolve that we endorse the great work that has and is now being done by the League in its national and state organizations, and recognizing the great

work it is now doing in our own state, we pledged our sincere sympathy and hearty support and assure its leaders we will not desert them in the hour of battle, and we will be glad for its representatives to present the interest of this great cause from our pulpits.

We also rejoice in the hearty co-operation of the W. C. T. U. and all other temperance organizations.

Resolved that we appreciate and approve of the official action which has been taken by the Anti-Saloon League of Missouri looking to the passage by our next legislature, of a bill, with a peace, health, and safety clause attached, providing for statutory prohibition.

We appreciate the valuable services which have been rendered during the past year by our own Rev. H. D. Thompson as superintendent of the North-East District of Anti-Saloon League of Missouri, and believing that in this work he is accomplishing as much for the kingdom of our Lord as in any other work which he might undertake, and feeling that the cause demands his continuance in this work we most respectfully request the bishop to reappoint Brother Thompson for another year.

We rejoice in the great success of our Temperance Rally on Thursday of the Conference and greatly appreciate the strong address delivered by Rev. H. D. Thompson.

We request the re-election by this Conference, to the State Board as trustee of the Anti-Saloon League of the Rev. J. J. Reed, and also the election of Honorable M. E. Lawson.

Report No. 2

We believe that in order to retain our Christian Civilization as a Nation that we should magnify before our people the law of God as found in the fourth commandment and that they offend not the Lord by desecrating the Sabbath day either for worldly gain or pleasure. Therefore we endorse the work of the Sunday League of America in the securing of such laws as will save the Sabbath to us for the culture of the souls of the people and the worship of Almighty God.

Resolved that this Conference urge our people to refrain from attending or taking any part in Sunday baseball games, theatres or any form of the desecrations of God's Holy Day.

J. J. REED, President,
M. A. WEST, Secretary.

REPORT ON LAY ACTIVITIES

Your Committee on Lay Activities submit the following report:

Out of the nine districts in the Conference, Plattsburg, Mexico, Macon, and St. Joseph, four have reported organized effort among the laymen. We earnestly recommend a campaign by the laymen in every district to adopt some form of the Budget Plan for meeting all financial obligations, thereby relieving the preacher of work of this kind.

We desire to co-operate with the Conference Board of Missions in a Conference wide every member canvass for missions and all conference and connectional claims some time during the first quarter of the Conference year.

We feel that the success of the Laymen's movement for the next few years rests largely with the preachers. We ask that a Committee on Lay Activities be appointed in every church, and that proper instructions be given as to the work to be done.

We regard the enlistment of our laymen in the active work of the church as one of the most important issues of our day. A great work has been committed to us and we earnestly pray that in carrying it on we may be divinely guided to the glory of God and the wide extension of his kingdom.

We recommend the name of Paul M. Culver as Conference Lay Leader for the ensuing year.

PAUL M. CULVER, President.
S. S. CONNETT, Secretary.

FIRST ANNUAL REPORT OF THE MEDICAL LABORATORY OF THE MISSOURI FOUNDATION

To The Missouri Annual Conference of 1915, Methodist Episcopal Church South

Chillicothe, Mo., September 1, 1915.

In accordance with the provisions of the Charter the Medical Laboratory of the Missouri Foundation hereby submits its annual report for the fiscal year ending July 31, 1915, to the Missouri Annual Conference Methodist Episcopal Church South.

Historical Statement. The need for a Medical Laboratory in St. Joseph, which could serve the territory tributary to that city has been long recognized by the medical profession. The matter was never formally discussed however until the Silver Anniversary of the Medical Society of the Missouri Valley in September, 1912, at Council Bluffs, Iowa. At that time a paper was read by Daniel Morton, M. D., entitled "A Plea for the Establishment of Medical Laboratories in the Cities of the Missouri Valley." At this same meeting a Committee on Medical Laboratories was appointed to

promote the development of these institutions and at the meeting of the same Medical Society held at Kansas City in March, 1913, the committee made an exhaustive report on the whole subject, under the title, "Wanted! Medical Laboratories." The subject was freely discussed in St. Joseph in the daily newspapers and a strong local sentiment developed in favor of the enterprise, but no definite steps towards its realization taken. At this juncture several Methodist ministers and laymen conceived the idea of promoting the institution under the auspices of the Southern Methodist Church and the matter was laid before the St. Joseph Preachers' Meeting, and the St. Joseph District Conference of that denomination and approved and endorsed by both. At the session of the Missouri Conference held at St. Charles in 1913 the Epworth League Board was empowered to promote the establishment in St. Joseph of a Medical Laboratory and a committee appointed for the purpose, consisting of Daniel Morton, William J. Boyd, and A C. Zumbrunnen. This committee made a most exhaustive investigation of the whole subject, especially regarding the legal aspects of the charter and at St. Joseph in 1914 submitted a proposed charter and asked that a committee be appointed with power to act in further promoting the enterprise which was accordingly done. This committee consisted of Daniel Morton, C. B. Duncan, S. S. Connett, B. P. Taylor, W. H. Minton, and A. C. Zumbrunnen. By authority of this committee a meeting of the proposed incorporators was held at the Commerce Club on December 8, 1914, a permanent organization was completed and directors were elected and instructed to secure a charter from the State. Under the name of "The Missouri Foundation for Health Conservation" the charter was secured on December 21, 1914, and the organization thereby became a legal corporation authorized by the State to pursue its purposes.

Charter. A copy of the charter is submitted herewith as a part of this report. The greatest care was exercised in the preparation of this charter. The best legal advice was secured and every possible contingency anticipated as far as possible. No hurry was permitted but action was delayed in order to secure the information arising from the decisions of the courts and the General Conference in the case of Vanderbilt University. Months of time were spent in determining the fundamental legal relations of church institutions to the state as defined by the Missouri Constitution and every decision relating thereto was carefully considered. The charter of this Medical Laboratory contains every legal privilege permissible under our constitution and none that are not permissible. It is safe and sound and affords a permanent basis on which to build for the future.

Personnel. The organization of the Foundation is as follows: President, William A. Bodenhausen, St. Joseph, Mo.; Vice-president, Britton P. Taylor, St. Joseph, Mo.; Secretary, Daniel Morton, St. Joseph, Mo.; Treasurer, William F. Goetze, St. Joseph, Mo.; Walter C. Bender, St. Joseph,

Mo.; Paul M. Culver, Gower, Mo.; Squire S. Connett, St. Joseph, Mo.; Charles B. Duncan, St. Joseph, Mo.; Ralph W. Douglas, St. Joseph, Mo.; Percy Johnson, St. Joseph, Mo.; William H. Minton, St. Joseph, Mo.; Matthew H. Moore, Macon, Mo.; Ira Richardson, Maryville, Mo.; William L. Scarborough, Macon, Mo.; Albert C. Zumbrunnen, Columbia, Mo. The officers and Squire S. Connett constitute the Board of Directors.

Future Plans. During the seven months of its existence the members of the Foundation have engaged in a study of its proposed purposes and of its field of labor. Its future plans have been thoughtfully discussed and its methods of finance carefully considered. After six months of such study the conclusion has been reached that in order to properly finance the Medical Laboratory it will be necessary to secure a fund of twenty-five thousand dollars for establishment and an ultimate endowment of two hundred thousand dollars. This is the financial program of the Foundation. A campaign has begun with this end in view and will be prosecuted until success is attained. The Foundation is now soliciting subscriptions, donations, bequests and devises and when twenty-five thousand dollars are secured will inaugurate the enterprise. It will proceed with due deliberation and will not permit itself to be drawn into action of an immature or temporary character. Actual work will begin when the undertaking can be administered on a basis of permanency and efficiency.

The Need. There are one million people living in the territory tributory to St. Joseph in the States of Missouri, Kansas, Iowa, and Nebraska. Only ten (10) per cent of these people when they get sick ever reach the hospital. The other ninety (90) per cent are sick at home. The Medical Laboratory reaches this ninety per cent. It not only does this it does more. It reaches those who are well and helps to keep them well because it is the greatest known factor in the prevention of disease. For both the cure and prevention of disease the Medical Laboratory stands first in the list of institutions for combating disease. It is therefore worthy the highest consideration from those who give money for the alleviation of human suffering. Medical Laboratory facilities in the territory tributary to St. Joseph are almost entirely lacking. The need is great.

The Foundation solicits the continued co-operation of the Missouri Conference in its efforts to accomplish its humanitarian purpose for all the people within its territory. Long ago the Methodist church entered upon medical work in the field of Foreign Missions. Shall it do less for its own in the Home Field? It has within the last few years entered the field of hospital endeavor and has built and has under its control large hospitals in Atlanta, Nashville and St. Louis. By establishing a Medical School at Emory University within the past few months it has entered the field of Medical Education, the most important and costly of all the secular departments

of university work. The Methodist church has therefore thoroughly committed itself to Medical Social Service.

The fundamental nature of the Medical Laboratory ranks, to say the least of it, side by side in importance with these other medical activities, is worthy of equal recognition and can be financed at infinitely less cost. The Foundation appreciates the fact that the Missouri Conference has been the first religious organization in America to recognize this fact and will do all in its power to prove itself worthy of the great church which has given it existence.

This Medical Laboratory is intended to serve you and yours, at the same time that it serves the public at large. It therefore comes home to the preachers and laymen of this Conference in a personal way and has more than an altruistic interest. It opens an opportunity for the Methodists of this Conference to render the most efficient type of social service, while at the same time supplying themselves with an agent essential to the preservation of health and the cure of disease. In sickness, one always needs the aid of a medical laboratory. One does not always need the aid of a hospital.

Respectfully submitted,

WM. A. BODENHAUSEN, President.
DANIEL MORTON, Secretary.

In presenting this report which shows an advance in all lines of work in spite of crop failures and the disturbed financial conditions growing out of foreign wars, we are grateful to our Heavenly Father who made it possible for us to sustain the work, against adverse circumstances. We also desire to express our thanks to the many ministers who by their encouragement and their co-operation have inspired the women of their churches to broader sympathies and deeper consecration to the cause of Missions. The report submitted deals with the material side of the work, but we trust that another great service has been rendered in the spiritual development of the women of the Auxiliaries—a result that can not be tabulated in figures.

During the year the Conference has been represented in Foreign lands by Miss Eliza Perkinson, Principal of the Collegio Americano at Petropolis, Brazil; by Miss Dora Otis in charge of the Industrial School at Soochow, China; by Miss Bessie Combs, an evangelistic missionary in Sung Keareg, China, all of whom were supported by the women of the Conference at large. Miss Eva Hyde has been the special missionary of the women of the Mexico District in Brazil. We again express our thanks to Rev. S. W. Hayne and the Mexico church for the support of Miss Stallings as a Council Missionary in China. The Conference has made a valuable contribution to the Home work in the lives of seven young women, daughters of the Missouri Conference, who are laboring in some of the most important, as well as the most needy fields of the homeland. There are at present in training under the care of the Conference three candidates for foreign work, and one candidate for a nurse-deaconess.

At the request of the Bishop in charge, and of the General Secretary of the Board of Missions, the Woman's Missionary Society adds a new mis-

sion field by entering Japan at this strategic time when the Sunrise Empire is the dominant force in the Orient. Our women have long desired to have some part in the Christianizing of Japan, and we hope that this new work may enlist many who have hitherto been indifferent.

We desire again to ask the co-operation of the Conference in the maintenance of Wesley House, St. Joseph, which has been heroically supported by the local board of city missions. This institution under the care of the Deaconess Rosa Breeden, and her associates, has exerted an ever-widening influence for good in our largest city.

We cannot too strongly emphasize the importance of the Scarritt Bible and Training School at Kansas City, not only in fitting young women for deaconesses and city missionaries, but also in preparing them for greater service as Sunday School teachers and workers in their home churches. Can we not have one young woman from each of the nine districts of the Conference in attendance at Scarritt each year? What a force for good such a body of consecrated workers in the home land would be!

We beg to remind our ministers, to whom we as an organization owe so much, that only a small per cent of the women of the church are engaged in this splendid work for mission. A study of the statistics of this Conference will show that in all charges where the spirit of social service and missions have been strongest, the local interests of the church have advanced rapidly. In the eighty-seven pastoral charges which represent four hundred and forty-eight preaching stations in Missouri Conference, we have only eighty-six preaching stations in which the Woman's Missionary Society is organized. Will you not help us to organize in this vast unorganized territory in order that these other women of Missouri Methodism may add their service and their offerings in the bringing in of the Kingdom?

Respectfully submitted,

MRS. TURNER McBAINE, President,
MRS. W. L. REED, Corresponding Secretary.

J. A. MUMPOWER,
Joined Missouri Conference 1864. The oldest active minister in the Conference.

MEMOIRS

REV. THOMAS MILTON PATTERSON

Reverend Thomas Milton Patterson, son of William and Lydia Patterson, was born in Illinois, March 4, 1858, and fell asleep in Jesus, October 28, 1914, and his mortal remains were laid to rest in the beautiful cemetery at Troy, Mo.

He was converted and joined the Methodist Church in 1870, under the ministry of Rev. J. W. Perry, and was licensed to preach by the Quarterly Conference of Queen City Circuit, and admitted on trial in the Missouri Conference in 1879; ordained Deacon by Bishop J. C. Granbery in 1882, and two years later ordained elder by Bishop Parker.

With the exception of a few years spent in Oklahoma, his life's work was done in St. Louis and Missouri Conferences. His health had been poor for a number of years, and he was granted a superannuated relation at the last session of the Missouri conference. He moved to Troy, Mo., to be among his friends and relatives, hoping that rest and medical treatment, by the blessing of God, would restore his health, but his divine Lord saw best to take him to dwell forever in His upper and better kingdom.

He had no doubt about his call of God to preach the Gospel, and he always delighted in the ministry of Jesus Christ. His life was pure, his heart full of love and all his words were kindly. His life was almost a perfect embodiment of the thirteenth chapter of first Corinthians.

While traveling the Troy circuit he married Miss Dena Kuhne. This seemed one of the marriages made in heaven, for their lives were truly one. She was always a great help to him in his work for the upbuilding of the kingdom of God among men.

Going about as usual, without scarcely any warning, his Lord came for him; and, in a few minutes left his friends on earth, without time to say farewell, to join his friends in heaven. In death, as in life, he was ready to

follow the command of Him whom he so truly loved and devoutly served. A good man, a brother beloved, a kind and loving husband and father, and an earnest and faithful minister of the Gospel is gone from among us, and we shall all greatly miss him.

When a man dies, men say, "Poor man, he is dead;" but God says "blessed are the dead which die in the Lord."

"Rest secure the righteous man!
At his Redeemer's beck,
Sure to emerge, and rise again,
And mount above the wreck;
Low! The Heavenly spirit towers
Like flames, o'er Nature's funeral pyre,
Triumphs in immortal powers,
And claps her wings of fire!"

J. M. BOON.

REV. GEORGE A. STANTON

Rev. George A. Stanton was born December 1, 1864, at Springfield, Ill.

He was united in marriage to Miss Mary B. Brownfield, March 2, 1893.

April 25, 1895, he was licensed to preach at Gallatin, Missouri. Rev. Z. M. Williams presiding elder.

He was admitted on trial into the Missouri Conference at Fulton, September, 1900.

He was ordained deacon by Bishop Warren A. Candler, September, 1901, and was ordained Elder at Columbia, August, 1904, by Bishop Eugene R. Hendrix.

Bro. Stanton's official relations to the church for fourteen years were:

Pattonsburg circuit four years, Jamesport station four years, Milan station one year, Memphis station three and one-half years.

The influence of Bro. Stanton as an Evangelist is worthy of note, As a preacher of the blessed Gospel, he was earnest and sympathetic. Many were influenced to a better life by his ministry.

About two years ago he was seized with paralysis. He seemed gradually to lose the use of his limbs, and suffered intensely at times with his head.

The end came to his suffering at midnight, Thursday, March 18, 1915.

His uniform testimony in the later years of his life was, "I am ready, and only await the call of my blessed Master. I want to go." At the last moment he was still in the state of expectation and waiting.

The deceased leaves to mourn his death, the wife, three daughters and one son. Inez, Marshal, Blondena and Marian.

The funeral service was conducted in the church at Memphis, by Rev. L. C. Maggart and other local pastors. His body was laid to rest in the Memphis cemetery.

L. C. MAGGART.

REV. ALVIN SANDERS BOWLES

Rev. Alvin Sanders Bowles, son of Dr. Mason Bowles, was born at Ripley, Jackson county, Virginia, December 18, 1853, and was the ninth of eleven children.

He attended the schools of the county where he was born and reared, and though his school advantages were meager, he acquired a fair education. After reaching manhood he taught in the public schools for three years.

In the year 1874 he was licensed to preach by the Methodist Episcopal Church, South. In September, 1878, at Guyandotte, West Virginia, he was admitted on trial into the Western Virginia Conference. He was one of the pioneer preachers in what was then a rugged part of the country, traveling large circuits with many appointments. His grandfather was a Methodist preacher, and he has a brother, Martin V. Bowles, now above 80 years of age, who still preaches. A nephew, J. S. Bowles, of Texas, and another, C. A. Bowles, of Brunswick, Mo., are also Methodist preachers.

For 17 years he served various charges in the Western Virginia Conference. In September, 1892, he transferred to the Missouri Conference, of which he remained a member till his death. In this conference he was first stationed at Louisiana, where he remained one year. Then the following appointments: Shelbyville Circuit, two years; La Belle Circuit, one year; Monticello Circuit, two years; Wellsville Circuit, two years. In September, 1902, he took the superannuated relation and located at Wellsville, where he has since resided, preaching occasionally as opportunity offered and assisting in protracted meetings. He was a clear thinker and a forceful Gospel preacher. He not only preached the Gospel, but loved to sing it, and he sang it well.

On May 22, 1879, he was married to Miss Maud Hunter Hamilton, of Huttonville, West Virginia. Of this union four children were born,—Frank Carroll, Leta, Robert Pearson and Charles Alvin, all of whom survive him. The mother died in January, 1909.

He was again married on May 29, 1912, to Mrs. Rosa Genrich, of Mexico, Missouri, Rev. W. T. May officiating.

After years of suffering, of which perhaps the world knew little, on May 28, 1915, the summons came suddenly and he passed away, aged 61 years, 5 months and 10 days.

Funeral services were conducted at the M. E. Church, South, Monday, May 31, 1915, by Rev. C. L. Uht, assisted by Rev. W. T. May and all the pastors of Wellsville. The large attendance and beautiful floral offerings attested the high esteem in which he was held as a citizen and a brother. After the service at the church, the Free Masons. of which he was a member, took charge of the body and at the beautiful Wellsville Cemetery conducted their impressive grave service.

Thus were deposited in the grave the remains of our brother to await the resurrection morning.

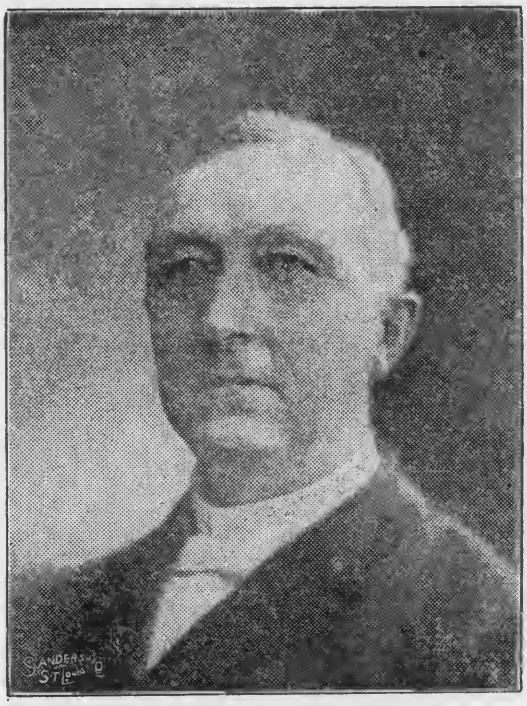

C. L. UHT.

REV. W. A. HANNA

Rev. W. A. Hanna was born in Callaway county, Missouri, November 1, 1847, and died in Carrolton, Mo., Tuesday, July 6, 1915. His father and mother, Samuel and Susan E. Hanna, were good Christian people, members of the Methodist Episcopal Church, South. In his boyhood days he attended the country schools and worked on the farm. In 1863, he attended a select school in Fulton, which was conducted by Rev. H. A. Bourland. He was converted in a meeting conducted by Revs. H. A. Bourland and John R. Taylor in November, 1862. He was licensed to exhort at the quarterly conference at Prairie Chapel, November 23, 1863; Rev. E. Robinson, presiding elder and Rev. Charles Babcock, preacher in charge. He was licensed to preach by the Fulton Quarterly Conference, December 8, 1866.

In 1864, he enlisted in the Confederate Army, Company K, Woods Battalion, Marmaduke's Division, and during the trying ordeal of war he maintained his Christian integrity, and came out of the war the same pure noble Christian gentleman that he was when he entered.

In 1867 he attended the Classical Seminary at Central College. He was admitted on trial in the Missouri Conference at Weston, Mo., 1868, Bishop Kavanaugh presiding. His first appointment was Irvin Mission, our border charge in Kansas. During his labors there he endured many hardships and much exposure but it was a year of marvelous success.

W. A. HANNA

He served the following charges in the Western Conference: Oskaloosa Circuit, Atchison Station, Holton Circuit and Nebraska City Station. In 1878 he was transferred to the Missouri Conference and served: Plattsburg Station, Osborn Circuit, Macon Station, Fayette Station, Gallatin District one year, Hundley Station, St. Joseph, Mo., Fulton Station, Mexico Station, Gallatin District, four year, Shelbina Station, Mexico District, two years, Gallatin Station, Chillicothe Station, Carrollton Station, from which he was called to his Lord to a blessed and eternal reward.

He served the church in three General Conferences, and he was always the same pure, faithful servant of his Lord and the church he loved so well. He often expressed the desire to cease to work and to live at the same time; and in this he had his desire. He literally ceased to work and live at the same time; for in two hours after visiting a dying woman, he was in heaven.

One of the followers of Almighty God once hid three hundred prophets in a cave and fed them on bread and water, but this man fed hundreds and thousands of souls on the best earth had to give, for 47 years.

"The pains of death are passed,
Labor and sorrow cease;
And life's long warfare closed at last.
His soul is found in peace.
Soldier of Christ well done!
Praise be thy new employ;
And while eternal ages run,
Rest in thy Saviour's joy."

This good man was mighty in prayer, full of faith and the Holy Ghost. His ministry was wholesome and edifying, and under his earnest labors many souls were brought to the knowledge of sins forgiven. His body was laid to rest in the cemetery at Shelbina, Mo., to await the resurrection morning. Earth is poorer, but heaven is richer, since our Bro. W. A. Hanna left us.

D. F. BONE.

SISTER E. K. MILLER

Sister E. K. Miller entered into rest at the home of her daughter, Mrs. Mary M. Crider, Jacksonville, Florida, July 1, 1915, aged 87 years. Sister Miller was an excellent woman and true helper of her honored husband in all his ministry. Her maiden name was Lucy R. Jones and she was married to Rev. E. K. Miller in San Francisco, May 12, 1868. Through all Dr. Miller's ministry in California and later in Missouri she was a faithful helper and his tender ministrant companion in the home. After Dr. Miller's death, March 14, 1904, she lived with her daughter, Mrs. Crider, in Missouri, Colorado and more recently in Florida.

The past ten years of her life she was a constant sufferer and seriously crippled from rheumatism and was compelled to go about on crutches. With cheerful resignation, she bore up under her sufferings and many adversities until God gave her release.

Sister Miller loved the church and the Methodist itinerant life. Shortly after her husband's decease, she said: "That I was the wife of one so good and true fills me with gratitude for the gift, that I was not more worthy, was always a regret to me. The last happy quiet winter, we were so constantly together, that we were drawn nearer each other, if possible, and I

trust nearer to God. He, I am sure, grew every day more and more like the Master."

Bro. Miller sleeps near his childhood home, Palmyra, Marion county. Sister Miller was placed to rest in the sunny south land midst perfumed flowers and songs of birds like her early home in California. Though sundered far in time and place at life's pilgrimage end, we know these dear hearts meet at last in the presence of God at his blessed mercy seat.

REV. WM. B. PALMORE, D. D.

William Beverly Palmore, D. D., a member of the Southwest Missouri Conference, was born in Fayette County, Tennessee, February 24, 1884, and died in Richmond, Virginia, July 5, 1914. His position as the editor of the St. Louis Christian Advocate, 1890-1914, related him to much wider territory than an annual conference.

Dr. Palmore was a prosperous business man in early life, a member of the first class that graduated from Vanderbilt Theological Department, a successful pastor and presiding elder in the leading pulpit and district of his conference, for twenty-four years owner and editor of one of the best papers in his church. As an editor or preacher he attacked evil and stood for the right as he saw it without counting the cost. His church honored him by sending him as a delegate to the second Ecumenical Conference at Washington and the third held in London and four general conferences.

Dr. Palmore crossed the ocean some score of times, sailing on all seas and traveling in, perhaps, every land on the globe. He was a diligent student of missions, and one of the wisest contributors in the history of the church. Thousands of the youth of non-Christian nations will hear of Christ because he traveled abroad and gave money to this cause.

By his will the Mission Conference, together with the Southwest Missouri and St. Louis Conferences, becomes a beneficiary by the gift of the Advocate and large properties to Central College for Women.

It is with sincere gratitude that the members of the Missouri Annual Conference assembled in Chillicothe, September 1-6, 1915, acknowledge the great gift to his church. We pledge our effort to the Advocate by multiplying the subscriptions, and by adequately endowing the great college for women so dear to his heart. May the college train a multitude of young women for the homes and the church, and may the Advocate even increase in influence and, by financial profits thereof cheer the hearts and lighten the burdens of our aged superannuates and their families.
